

5.2 User Experience Outcomes

- **Enhanced User Satisfaction:**
 - A reliable and engaging app that helps users discover and maintain their style.
 - Reduced decision fatigue with curated options.
- **Time Savings:**
 - Help users quickly find appropriate outfits or styles without long browsing sessions.
- **Accessibility:**
 - Ensure inclusivity by offering diverse style options, size recommendations, and affordability levels.
 - Multi-language support for a global audience.
- **Confidence Boost:**
 - Empower users by enhancing their sense of style and outfit choices.
- **Retention and Engagement:**
 - Encourage frequent app usage through gamification, style challenges, or daily fashion tips.
